

Fifth Annual Walla Walla Valley Quilt Festival Quilt Classes

Workshops featuring

Terry Martin

Nationally acclaimed quilt maker, instructor,
and author of:

"'Snowflake Follies"

Terry Martin began her love affair with sewing as a little girl, when her "Gammy" put a needle and thread in her hands. At first, her passion was for garment making, but she soon moved on to needlepoint and counted cross-stitch. However, once she discovered quilting, she went over the creative edge and never came back.

Terry lives in Snohomish, Washington, with husband Ed, daughter McKenzie, and four black cats. She also lectures, teaches, and is the author of three books. She is the editorial assistant and author liaison at Martingale & Company.

Make sure you take advantage of this unique opportunity to study with Terry and learn some new tips and tricks.
